

# **JESUS, THERE'S NO ONE LIKE YOU**

**VERSE 1**    There is no song we could sing  
                  To honor the weight of Your glory  
                  There are no words we could speak  
                  To capture the depth of Your beauty

**CHORUS**    Jesus, there's no one like You  
                  Jesus, we love You, ever adore You  
                  There's no one like You  
                  Jesus, we love You, ever adore You, Lord

**VERSE 2**    There is no sinner beyond  
                  The infinite stretch of Your mercy  
                  How can we thank You enough  
                  For how You have loved us completely?

**BRIDGE**    All we have, all we need, all we want is You
