

LAZY BONES

VERSE 1 Have you heard about Mr. Lazy Bones?
You can find him sleeping on his couch at home
When there's work outside for him to do
He is working hard to find another excuse

VERSE 2 Mr. Lazy Bones tells you he's afraid
Never ever finishes the plans he's made
When you want his help around the house
You can try to find him but he's never around

CHORUS Lazy Bones can help us see
What we never want to be
Doesn't have a hope or a clue
When we work to please the Lord
God will make our plans secure
And He'll be glorified in all we do

VERSE 3 See the busy ants working all the time
No one has to tell them how to stay alive
Getting ready for winter days ahead
Gathering their food until the times comes to rest
