

# **CHRIST BE EXALTED**

**CHORUS** Christ be exalted over all things  
In heaven and earth none is more worthy  
Christ be exalted, every knee bowed down  
Surrounding Your throne  
To praise You alone  
Christ be exalted

**VERSE 1** We run to drink from empty wells  
That long ago ran dry  
When Jesus is the fountain  
Who always satisfies

**VERSE 2** No one compares to You, O Lord  
All earthly treasures fail  
From dust to dust they will return  
Our God alone prevails

**VERSE 3** No sacrifice, no greater love  
Than Jesus on the tree  
To bear our curse and show His grace  
To set the sinner free
