1. See the sheep with their shep herd, how he's guid - ing their way
2. At dawn the shep - herd will call them. He knows the names of each one.
3. We've all strayed like the lost sheep in the val - ley of sin,

through the hills and the val - leys, how he's keep - ing them safe.
 They trust his voice when they hear it and they ea - ger - ly come.
5 dis - o - beyed God's com - mand - ments, run a - way from our King.

When the day turns to eve - ning he will make them lie down.
 If they hap - pen to wan - der, slip a - way all a - lone,
 But Je - sus gave up His glo - ry to seek and res - cue the lost.

7 Then he waits and he watch - es; they can sleep safe and sound.
 he will look till he finds them, he will bring them back home.
 To bring us back to the Fa - ther He gave His life on the cross.

9 **CHORUS**
 We have a good and faith - ful Shep - herd too.

11 Je - sus, the One Who calls to me and you.

13 If we lis - ten to His voice and fol - low where He leads we'll come

15 to know. He's all we'll ev - er need.
