

YOU ARE GOOD

VERSE 1 You came down
A light into the darkness
To souls that once were hopeless You gave joy
At Calvary You gave Your life to save us
The righteous for unrighteous
So we could know Your grace

CHORUS You are good
And Your mercy lasts forever
You are good to me
You are good
And Your grace could not be measured
You are good to me

VERSE 2 I am Yours
Forever You are with me
Encircling, defending my soul
And when I fall You draw me through Your mercy
You faithfully forgive me
You lift me up again
