

OVER ALL

VERSE 1 Over all the heavens, over all the earth
Over all creation, Almighty, You reign
Over every power and kingdom of this world
You are over all

CHORUS You are over all, Sovereign King
You are over all, Sovereign Lord
None can thwart Your plan
You are seated high upon Your throne
Over all

VERSE 2 Over all afflictions and every storm of life
In the midst of suffering, Almighty, You reign
You are God eternal and You can never change
You are over all
