

BETTER BY FAR

CHORUS Better by far is Your presence
Better by far is Your Spirit
Nothing compares to Your love poured out in my heart
Better by far is Your presence
Better by far is Your Spirit
Nothing compares to Your love poured out in my heart
It's better by far

VERSE 1 Better by far to be near You
Than be freed from all of my trials
Better by far that You make me like Christ
Than to give me all I desire

VERSE 2 Better by far, just to know You
Than be blessed in all other ways
Better by far that You work in my life
To the praise of Your glory and grace
