

YOU ARE THE ONE

- VERSE 1** You're the One who flung the stars
 Across the heavens and You are
 The One Who spoke and mountains rose
 Above the foaming seas
 You're the One who sends the rain
 And golden sun to drench the plains
 And gracious God, You always pour
 Such favor out on me
- CHORUS** You are the One Who does awesome things
 You are the One Who works wonders
 You are the One Who does awesome things
 You are the One Who works wonders
 And You are, You are, the One I love
- VERSE 2** You're the One whose bleeding head
 Was crowned with thorns and in my stead
 You took God's wrath and died my death
 That I might live Your life
 And as I fix my gaze on You
 I'm captivated by the view
 Becoming ever like the One
 Whose glory fills my eyes
