

IT'S ALL FOR YOU

- VERSE 1** It's all for You, creation, Lord, the universe
It's all for You, the starry sky, the emerald earth
It's all for You, all to bring You glory
It's all for You, the One who came to seek and serve
It's all for You, Who died the death that we deserve
It's all for You, all to bring You glory
- CHORUS** It's all for You and the worship of Your Name
It's all for You, for Your honor and Your fame
From the heights to the depths, let all that has breath
Proclaim that it's all for You
- VERSE 2** It's all for You, our joy, our adoration, Lord
It's all for You, our songs, our celebration, Lord
It's all for You, all to bring You glory
It's all for You, our trials and temptations, Lord
They're all for You, our suffering, our patience, Lord
It's all for You, all to bring You glory
