

# BY YOUR WOUNDS

**CHORUS** By Your wounds I am healed  
Precious wounds I am healed  
Such wondrous love Your Cross revealed  
By Your wounds I am healed

**VERSE 1** Now I have a new heart  
New joy new desires  
Where darkness once ruled me  
Is burning a holy fire

**VERSE 2** Now I have a new love  
New strength new delight  
Where sin once enslaved me  
There's freedom and power and light
