

YOUR LOVE FOR ME

VERSE 1 Sometimes I don't get everything I ask
Sometimes I even find myself in need
But oh it is good to know
That You're always near
To strengthen and satisfy me

CHORUS Your love for me is everlasting
Your love for me could fill a million seas
If I have You it's all I want Lord
It is enough to know Your love for me

VERSE 2 Sometimes my hand grows weary at the task
Oh fan again the flame that grows so weak
Remind me of the glories
Of my future in You
Of joys too amazing to speak
