

# ALL THINGS

**VERSE 1** Your faithfulness and love, Your power and Your grace  
Your providence and strength, all Your wisdom  
Your Spirit and Your Word, the angels and the saints  
The gospel and the blood of Your redemption

**CHORUS** You cause all things  
To work together for our good  
You cause all things  
To work together for our good  
And You cause all things  
To bring your glory

**VERSE 2** Our troubles and our tears and every drop of rain  
Will only drive us near to our Savior  
And every victory won in Jesus' mighty name  
Will make Your glory shine that much brighter
