

FOR YOUR GLORY ALONE

VERSE 1 For every heart Your cross redeemed
For every triumph over sin
For every time You gave us strength
For every time Your love broke in
For every time You spared us
And delivered us from death
For every escape from Satan's snares.

CHORUS Let Your victories be recounted
Let Your mighty deeds be sung
Let Your greatness be exalted for Your glory alone
Let Your victories be recounted
Let Your mighty deeds be sung
Let your greatness be exalted for Your glory alone
For Your glory alone.

VERSE 2 For every slave Your pow'r has freed
For every sickness You have healed
For every taste of heaven's joy
And for Your wondrous love revealed
For grace that's working in us
And bringing forth good fruit
For forming in us Your glorious Son
