

# **I'M CALLING OUT**

- VERSE 1**    When this world is filled with change  
                 And so much I can't explain  
                 From the peaks of joy to the valleys of pain  
                 Your faithfulness remains  
                 Your faithfulness remains
- VERSE 2**    When my strength is dry and drained  
                 And my hope begins to wane  
                 You are always near to lift me again  
                 Your faithfulness remains  
                 Your faithfulness remains
- CHORUS**    So, I'm calling out to You who called me  
                 I'm holding on to You who holds me  
                 I'm seeking You who came and sought me in my sin  
                 And You've been faithful again and again  
                 So I'm calling out
