

# **YOU HAVE CAPTURED ME**

**VERSE 1**    I have tasted of a love  
Sweeter than the honeycomb  
And I have heard the symphony  
Of Your whisper in my soul  
But I am ruined for this world  
For none compares with You, my Lord

**CHORUS**    For You have captured me  
Completely captured me  
And I'm consumed  
With You and only You, Jesus

**VERSE 2**    There's a grace I can't resist  
Loving arms are drawing me  
And there's a beauty far beyond  
What eyes of flesh could ever see  
For I've beheld with trembling joy  
The sight of Calvary's Scarlet Rose
