

Key of C

# YOU HAVE CAPTURED ME

♩ = 84

VERSE 1    I have <sup>C</sup>tasted of a <sup>G/B</sup>love  
              <sup>Am 7</sup>Sweeter than the <sup>F</sup>honeycomb  
              <sup>C</sup>And I have heard the <sup>G/B</sup>symphony  
              <sup>Am</sup>Of Your whisper in my <sup>F</sup>soul  
              <sup>F</sup>And I am ruined for this <sup>C/E</sup>world  
              <sup>F</sup>For none compares with You, my <sup>G</sup>Lord

CHORUS    For You have <sup>Am</sup>cap – <sup>F</sup>tured me <sup>C</sup>  
              <sup>G</sup>Completely cap – <sup>Am</sup>tured me <sup>F</sup> <sup>C</sup>  
              <sup>G</sup>And I'm consumed <sup>Dm</sup> with You <sup>F</sup> <sup>Em</sup>  
              <sup>G</sup>And only You, <sup>F2</sup>Jesus

VERSE 2    There's a <sup>C</sup>grace I can't <sup>G/B</sup>resist  
              <sup>Am</sup>Loving arms are drawing me <sup>F</sup>  
              <sup>C</sup>And there's a beauty far beyond <sup>G/B</sup>  
              <sup>Am</sup>What eyes of flesh could ever <sup>F</sup>see  
              <sup>F</sup>For I've beheld with trembling joy <sup>C/E</sup>  
              <sup>F</sup>The sight of Calvary's <sup>G</sup>scarlet Rose
