

# HERE AT THE THRONE

**VERSE 1**    How can I ever begin to thank You  
For all You've done for me  
You emptied Yourself Lord  
And You became poor  
To lavish grace on me  
And You have loved me Lord  
With an everlasting love

**CHORUS**    So, here at the throne of grace I stand  
To exalt the great I AM  
Where the blood of Jesus covers me  
Here at the throne of grace I stand  
Finding mercy at Your hand  
And Your mighty power in time of need  
Here at the throne of grace

**VERSE 2**    In You is mercy and sweet forgiveness  
And cleansing of my sins  
In You is beauty all heaven's glory  
All holiness and strength  
And You have loved me Lord  
With an everlasting love
