

YOUR MERCY AND KINDNESS

VERSE 1 O Lord, You are my shepherd
 In You I have no needs
 You make me rest in green fields
 And walk by quiet streams
 O Lord, You are my shepherd
 Your love restores my soul
 And for Your name and glory
 You show me the way to go

CHORUS Your mercy and kindness
 Pursue me forever
 My cup runs over with Your grace
 Your mercy and kindness
 Pursue me forever
 And I'll be with You all my days

VERSE 2 O Lord, You are my shepherd
 Though I walk through death's dark shade
 Your rod and staff give comfort
 I will not be afraid
 O Lord, You are my shepherd
 A table You have spread
 In sight of all my foes, Lord
 And You anoint my head
