

# EVERY TONGUE

**INTRO** | G | A/G | C | G | G | A/C# | C | G |

**VERSE 1**

Oh gather 'round the throne of grace  
 And sing His vict'ry song  
 Our King rode forth to bloody war  
 And now He has come home  
 He crushed the mighty dragon  
 He broke his cruel reign  
 He broke the shackles of our sins  
 And freed us from our chains

**CHORUS**

Let every tongue and every tribe  
 Sing praises, praises  
 Let all creation magnify Your glorious name  
 Forever is not long enough  
 To sing of all You've done  
 Be praised by ev'ry tribe and ev'ry tongue
