VERSE 1

Oh gather 'round the throne of grace
 And sing His vict'ry song
 Our King rode forth to bloody war
 And now He has come home
 He crushed the mighty dragon
 He broke his cruel reign
 He broke the shackles of our sins
 And freed us from our chains

CHORUS

Let every tongue and every tribe
 Sing praises, praises
 Let all creation magnify Your glorious name
 Forever is not long enough
 To sing of all You've done
 Be praised by ev'ry tribe and ev'ry tongue
