

THE AUDIENCE OF ONE

VERSE 1 I have one passion, one great delight
One center of my life
To glorify Him who bears the scars of grace
And to walk worthy of His name
For all my days

CHORUS With all my heart and soul and strength
In every word and thought and deed
I'll live for Him who died for me
To please the Audience of One
How can I not pledge all my love
In light of all that He has done?
There is one glory that I seek
To please the Audience of One

VERSE 2 Let me seek one prize, one great reward
One hope I treasure most
To hear the Father say, "My child, well done
Come enter into all the joy
Found in my Son"
