

COUNT IT ALL JOY

VERSE 1 Lord, I'll count it all joy
When my troubles close me in on every side
Lord, I'll count it all joy
When this road of faith runs through the darkest night
For I know You're at work in me
Yes, I know You'll provide all the grace I need

CHORUS You have always been my Rock
I will trust You forever, forever
You have never failed me God
I will trust You forever, forever

VERSE 2 Lord, I'll count it all joy
When the weight of sorrow drives me to my knees
Every heartache and pain
In Your mighty hands is forming Christ in me
And I know that Your Word is true
Yes, I know every trial will only prove

BRIDGE Who can separate us
From You and Your great love
