

# **GOD MOVES**

**VERSE 1**    God moves in a mysterious way  
His wonders to perform  
He plants His footsteps in the sea  
And rides upon the storm  
Deep in His dark and hidden mines  
With never-failing skill  
He fashions all His bright designs  
And works His sovereign will

**CHORUS 1**   So God, we trust in You  
O God, we trust in You

**VERSE 2**    O fearful saints new courage take  
The clouds that you now dread  
Are big with mercy and will break  
In blessings on your head  
Judge not the Lord by feeble sense  
But trust Him for His grace  
Behind a frowning providence  
He hides a smiling face

**CHORUS 2**   So God, we trust in You  
O God, we trust in You  
When tears are great and comforts few  
We hope in mercies ever new  
We trust in You

**VERSE 3**    God's purposes will ripen fast  
Unfolding every hour  
The bud may have a bitter taste  
But sweet will be the flower  
Blind unbelief is sure to err  
And scan His work in vain  
God is His own interpreter  
And He will make it plain
