

THE MYSTERY OF YOUR LOVE

VERSE 1 When I was a stranger You took me in
 When I was an outcast You called me friend
 When I was a rebel You bled for me
 And when I was a leper You made me clean

CHORUS Oh, the mystery of Your love
 The mystery of Your love
 The mystery of Your love
 Fills me with wonder

VERSE 2 When my heart was darkness You gave me light
 When my eyes were blinded You gave me sight
 When I warred against You You conquered me
 You took me as Your prisoner You made me free
