

AT THE CROSS

- VERSE 1** At the cross we see Your mercy
 Pouring forth in streams of blood
 At the cross we see compassion
 Flowing like a crimson flood
 At the cross we see our Savior
 And the beauty of His love, at the cross
- VERSE 2** At the cross we find forgiveness
 Making foul sinners clean
 At the cross we find Your power
 Setting captive prisoners free
 At the cross we find our Savior
 Who secured our victory, at the cross
- CHORUS** We must sing Your praise, O God
 We must sing Your praise, O God
 We have met Your mercy
 And seen Your beauty
 How great Your glory at the cross
 How great Your glory at the cross
- VERSE 3** At the cross our debt is cancelled
 Paid in full when Jesus died
 At the cross our souls are ransomed
 Purchased with the blood of Christ
 At the cross our sin is conquered
 Heaven's gates are opened wide at the cross
