VERSE 1

A The heavens shake, the mountains quake

And crumble to the sea

A The oceans roar because the Lord

Is reigning sovereignly

And those who trust in You will never be afraid

Those who trust in You will not be moved

CHORUS

E God is our refuge, our shelter and our strength

The Lord our fortress, our rock and our defense

E God is our refuge, our help in time of need

He will always be our peace

VERSE 2

All around we hear the sounds
Of violence in the earth

The nations rage against Your name
Against Your mighty Word

And one day wars will cease

And endless peace will reign

One day all the earth will be made new

BRIDGE

Bm If You are for us, who can be against us

D If You are for us, we'll never be ashamed (repeat bridge)
