

YOU NEVER CHANGE

- VERSE 1** **Father of lights, giver of gifts
There is no shadow in You
Author of life, Fountain of grace
Each morning Your mercies are new**
- CHORUS** **And You never change, and You never lie
Age to age You are the same
I will trust in You, all Your faithfulness
For I know You never change**
- VERSE 2** **Father of love, source of all good
Tower of strength and my shield
When You gave Your Son for those who rebelled
Your love for the world was revealed**
- VERSE 3** **Father of peace, help of the weak
Though mountains fall into the sea
Though tempests may rage, the sun hide its face
Your favor will rest upon me**
