

# OH TO SEE YOU

- VERSE 1** Christ, the King of every age  
Enthroned in light ere worlds were made  
Come in mortal flesh divine  
Into our dark came heaven's light
- VERSE 2** Hanging on a cross of shame  
I see the wounds my hands have made  
"Forgive them Father," now He cries  
And with a breath my Savior dies
- CHORUS** Oh to see you, Jesus, I can hardly wait  
To behold Your wounds of grace  
To express my love and thank You face to face  
My heart is Yours, for You I long
- VERSE 3** Look into His empty grave  
The bonds of death could not constrain  
Sin and fear and death are dead  
For Christ arose and crushed their head
- VERSE 4** Coming soon to claim His Bride  
All the redeemed He'll purify  
We'll need no sun or moon to shine  
For the Lamb will be our light!
