

# WHO WOULD HAVE DREAMED

**VERSE 1**    On a starlit hillside, shepherds watched their sheep  
              Slowly, David's city drifted off to sleep  
              But to this little town of no great renown  
              The Lord had a promise to keep

**VERSE 2**    Prophets had foretold it, a mighty King would come  
              Long awaited Ruler, God's Anointed One  
              But the Sovereign of all looked helpless and small  
              As God gave the world His own Son

**CHORUS**    And who would have dreamed or ever foreseen  
              That we could hold God in our hands?  
              The Giver of Life is born in the night  
              Revealing God's glorious plan  
              To save the world

**VERSE 3**    Wondrous gift of heaven: the Father sends the Son  
              Planned from time eternal, moved by holy love  
              He will carry our curse and death He'll reverse  
              So we can be daughters and sons
