

# **BRICK AFTER BRICK**

- VERSE 1**    God used to dwell in a house among His people  
But now He has a home that's better than the first  
It doesn't look like a building with a steeple  
Now, He's living in the people of the Church
- CHORUS**    Brick after brick, God is building His temple  
Brick after brick, He is making it strong  
With Christ the sure foundation and His people as the stones  
He is building a place He can live  
Brick after brick
- VERSE 2**    Christ is the Rock on which everything's depending  
He's making sure His house is steady as can be  
His love is strong and His promises unending  
And He'll protect His Church from all her enemies
- BRIDGE**    All His people gather 'round, singing out with joyful sound  
Giving glory to their Maker  
And they build each other up as they share the bread and cup  
To remember their Savior
