

BLESSED BE OUR GOD AND FATHER

VERSE 1 Blessed be our God and Father
Who has filled our lives with blessing
Every gift from heaven's fullness
Now is ours in Jesus Christ
Oh, what riches of His favor
Poured out freely from His throne
We rejoice in praise for the glory of His grace

VERSE 2 Blessed be our God and Father
Who before the world's foundation
Knew He'd make us pure and blameless,
Changing sinners into saints
Oh, what mercy to be chosen
And in love to bear His name
We rejoice in praise for the glory of His grace

CHORUS Hallelujah! to Your name be all the glory
Hallelujah! to Your name be all praise

VERSE 3 Blessed be our God and Father
Who with unimagined kindness
Gave His only Son to save us
For the glory of His name
Oh, what power in His passion,
Raised from death to endless reign
We rejoice in praise for the glory of His grace

FINAL CH Hallelujah! to Your name be all the glory
Hallelujah! to Your name be all praise
Hallelujah! to Your name be all the glory
Hallelujah! to Your name be all praise
