INTRO: C | Cmaj7 | F/C | F/C | C | Cmaj7 | F/C | F/C

VERSE 1      C                                  Cmaj7                  F/C  
You're my peace in deepest valley when I cannot see the way  
                 C                                  Cmaj7  
When the dread of night surrounds me  
                 F/C  
and the darkness hides Your face  
                 Am                                  G6                                  F                                  Dm7  
Christ my Shepherd, You will guide me, never leaving me alone  
                 C                                  Cmaj7                                  F/C  
As Your mercies, never ceasing, banish fear within my soul

INTRO: C | Cmaj7 | F/C | F/C

VERSE 2      C                                  Cmaj7                                  Dm7  
You're my joy in deepest valley when my tears are streaming down  
                 C                                  Cmaj7                                  Dm7  
When I'm left here brokenhearted with my knees upon the ground  
                 Am                                  G6                                  F                                  Dm7  
Yet You fully know my anguish, Man of Sorrows, God of love  
                 C                                  Cmaj7                                  F                                  F2  
You're my comfort and my portion, in my loss, You are enough

VERSE 3      C                                  Cmaj7/G                                  F  
You're our hope beyond this valley, Savior, Brother, Friend, and Lord  
                 C                                  Cmaj7/G                                  F  
How we long to fully see You, how we long to hear Your voice  
                 Am                                  G6                                  F                                  Dm7  
Oh, that day when skies are opened, and our faith is turned to sight  
                 C                                  Cmaj7/G                                  F  
We'll behold our King descending, robed in beauty from on high

TAG      Am                                  G6                                  F                                  Dm7  
We will gather round Your table as Your daughters and Your sons  
                 C                                  Cmaj7                                  Dm7  
Sin and sorrow all forgotten, when Your kingdom finally comes
