

YOUR WORD ENDURES

VERSE 1 Your Word, O God, endures, unbound and never-changing
Your promises are sure, Your purposes unfailing
You speak and earth and heaven shake,
Oceans roar, stars awake

VERSE 2 Your Word, O God, endures, it binds the broken-hearted
With riches for the poor and light for those in darkness
You speak and free the captive slave,
Dead are raised from the grave

CHORUS Your Word is forever, holds all things together
Your heart revealed with mercy unreserved
Your Word, O God, endures

VERSE 3 Your Word, O God, endures, revealing Your salvation
It sanctifies Your church through every generation
You speak and we behold Your Son,
Word made flesh, God with us

CHORUS Your Word is forever, holds all things together
Your heart revealed with mercy unreserved
Your Word is forever, our joy and our treasure
Your matchless works and wisdom seen and heard
Your Word, O God, endures
